Mandatory Rules and Regulations

Our goal is to create a safe and fun parade for everyone who participates, entrants and spectators alike. We've developed the following rules and regulations in pursuit of that goal, and your compliance is mandatory. Please review and share these rules and regulations with everyone in your group prior to parade day. As the primary representative of your group, you agree all members will comply and be bound by these rules and regulations. Failure to do so may result in immediate removal from the parade route.

❖ All entries (including people, carts, vehicles, etc.) are required to be decorated reflecting the celebration of Halloween, Dia de Los Muertos or the Fall Season, no exceptions. If any entry requires support vehicles that are not directly participating in the entry's performance, those support vehicles cannot travel along the parade route with the entry. Arrangements should be made for those vehicles to meet their entry at the disbanding area.

❖ No entry may exceed 13.5' in height at any time.

❖ Ours is a family friendly, non-denominational, non-partisan parade. No profanity, no political or religious opinion or advertisement, nor other objectionable material nor signage may be displayed nor disbursed on or near the parade route.

❖ No smoking nor alcoholic consumption by parade participants on or near the parade route.

❖ All drivers of floats or vehicles shall possess a valid driver's license.

❖ No disbursement of any items such as candy, treats, leaflets, papers, silly string, etc., is allowed while on the parade route.

❖ Appropriate music is an important component of a lively parade. Whenever possible, each entrant should include music as part of their participation.

❖ No discharging of firearms, similar types of noisemakers, or fireworks allowed.

❖ Steady distance between parade groups must be maintained. All participants are required to close any lengthy gaps between groups. All groups must be mindful of the distance between themselves and the groups in front and in back of them, and maintain proper distance accordingly.

❖ Entrants may perform along the parade route, as long as their **performance does not stop the forward movement** of the parade. Any dancing, singing or other performance must be within the context of the **moving** parade. We have experienced long gaps which take away from a "good show" and it is imperative your group continues moving forward even during performance time.

❖ Liability for injury or damages on or around any group or entry will be the sole responsibility of the entrant.

❖ Any animals in the parade require pooper scoopers as provided by the entrant to follow their animals and collect waste immediately.

❖ All parade positions are at the sole discretion of the Anaheim Halloween Parade Committee.

IN CONSIDERATION of being granted a position as an entrant and/or permission to participate in the ANAHEIM HALLOWEEN PARADE 2022, (the "Parade"), or on behalf of a minor child, the undersigned agrees and states as follows:

The undersigned hereby promises that the state of his or her physical health (if this release is on behalf of an individual), or the physical health of the persons representing the undersigned in this Parade (if this release is on behalf of an organization) will, on the day of the Parade, be sufficiently sound to permit such person(s) to safely participate.
