Mandatory Rules & Regulations - by submitting application you certify your group will comply.

Our goal is to create a safe and fun parade for everyone who participates, entrants and spectators alike. We've developed the following rules and regulations in pursuit of that goal, and your compliance is mandatory. **Please review and share these rules and regulations with everyone in your group prior to parade day.** As the primary representative of your group, you certify all members will comply and be bound by these rules and regulations. Any instructions given by authorized parade representatives must be followed. **Failure to comply by any member of your group may result in immediate removal of your entire group from the parade route.**

❖ All entries (including people, carts, vehicles, etc.) are required to be decorated reflecting the celebration of Halloween, Dia de Los Muertos or the Fall Season, no exceptions. If any entry requires support vehicles that are not directly participating in the entry's performance, those support vehicles cannot travel along the parade route with the entry. Arrangements should be made for those vehicles to meet their entry at the disbanding area.

- ❖ No entry may exceed 13' in height.
- ❖ Ours is a family friendly, non-denominational, non-partisan parade. No profanity, no political or religious opinion or advertisement, no other objectionable material or signage may be displayed or disbursed on or near the parade route.
- ❖ No smoking or alcohol consumption by parade participants on or near the parade route.
- ❖ All drivers of floats or vehicles shall possess a valid driver's license.
- ❖ No disbursement of any items such as candy, treats, leaflets, papers, silly string, etc., is allowed while on the parade route.
- ❖ No discharging of firearms, similar types of noisemakers, or fireworks of any kind allowed.
- ❖ **Steady distance between parade groups must be maintained.** All participants are required to close any lengthy gaps between groups. All groups must be mindful of the distance between themselves and the groups in front and in back of them, and maintain proper distance accordingly.
- ❖ Entrants may perform along the parade route, as long as their **performance does not stop the forward movement** of the parade. Any dancing, singing or other performance must be within the context of the **moving** parade. We have experienced long gaps which take away from a "good show" and **it is imperative your group continues moving forward even during performance time.**
- ❖ Liability for injury or damages on or around any group or entry will be the sole responsibility of the entrant.
- ❖ Animals in the parade require pooper scoopers be provided by the entrant to follow their animals and collect waste immediately.
- ❖ Your group's position in the parade is at the sole discretion of the Anaheim Halloween Parade Committee.
